Identification Number: C00227744

Reference: Amended Statement of Organization, received 1/10/07

Dear Ms. Sabatini:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 5(e) of your Statement of Organization indicates that your committee is a separate segregated fund; however based on your previous filing(s), your committee appears to be non-connected committee that supports/opposes more than one federal candidate.

Please be advised that a separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association. Partnerships or other types of unincorporated associations may sponsor non-connected committees; however, please note that most forms of support received by a committee from such an organization are considered contributions and subject to the limits, prohibitions and disclosure requirements of 2 U.S.C. §441a(a).

Please provide clarifying information regarding your committee type. If your committee is not a separate segregated fund, an amended Statement of Organization should be submitted to indicate the appropriate type of committee on Line 5(f).

**Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.

Sincerely,
